## TOWN OF GLEN ECHO

### LIVABLE COMMUNITY COMMITTEE MEETING MINUTES

DECEMBER 18, 2018

- Julia is the leader of the Livable Community group!! Yay, Congratulations, and Thank You! One thing Julia will do is convene these meetings a bit more regularly, from monthly to every two months.
- Going forward we will have a notetaker, too.
- Dan ran us through the list of priorities that came out from the Survey.
  - Dan will resend the survey results so we can re-review.
- We went through some of the high priority items from that survey.
- Next movie night at the town hall is (pending availability of the town hall--Julia will look into it) going to be over the holiday break, on Thursday Dec 27 at 4:30, showing Elf. Pete ordered a DVD so we are set. If town hall is available, Julia will send out an invite on line and ask town clerk to use the mailing list (email)
- We will try out movie night for adults, too. Maybe this winter will be the first.
- Pete will organize a volunteer sign up at a local food shelter/kitchen. Like mana food center in Gaithersburg <https://www.mannafood.org/>
- Other volunteer idea was to team up with environmental group on a clean up day, day of planting, day of invasive species removal.
- Martha will carry the torch of first steps in what would be a long process of exploring and establishing canal access from Glen Echo. First plan is to take this up with the park and park committees.
